“Hong Kong – one country, two systems”, part 2.

It is said that one minute experienced in New York provides as much excitement as one second in Hong Kong. And all because Hong Kong is remarkable in many ways.

Unsurprisingly, it claims top spots in various global rankings, from the best-managed metro to the most efficient health service.

We will continue the story of this unique region during our next online breakfast: "Hong Kong – one country, two systems, part 2". Join us on Wednesday, July 21 from 8:00 to 9:00 am.

You will find out:

- ✓ **Why you should have the Octopus Card**
- ✓ **What tattooing is associated with in the Far East**
- ✓ **What nationality is the proverbial "Filipina domestic worker"**
- ✓ **Where in Hong Kong tourists take the most breathtaking photos**
- ✓ **How the "fragrant harbour" became the "teary harbour" during the Umbrella Revolution**
- ✓ **How the Beijing government is assimilating Hong Kong with mainland China**

The meeting will be held by **Kamila Radzyńska** – business coach, specialised in intercultural communication, member of SIETAR Polska, R&D Manager experienced in foreign trade, romanist, passionate about the Far East, and winner of the Knowledge about France Competition organised by PR III radio and France Inter.
